For students admitted prior to Fall 2016

To receive the official University transcript designation “Completed University Scholars Program”, students who joined the University Scholars Program **prior to the Fall semester of 2016** must accomplish the following:

- Complete 12 hours of approved coursework with a grade of B- or better before graduation.
- Maintain a cumulative grade point average of 3.25 for the duration of their time at NC State.

After all three of these criteria are met, students are awarded a University Scholars Program medal and receive a certificate at their departmental graduation and designation on their transcript.
